## A SALE

## YOU CAN TRUST

Are you suspicious of "bargains" on rare coins? When a coin is on sale do you assume that the only way the dealer could get rid of it was to reduce the price?

We're discounting these coins only because our inventory is large enough for us to be able to offer this special annual sale. There's nothing wrong with these coins; there's nothing wrong with our business. As a matter of fact, it's because we're doing *so well* that we're able to extend this offer to our customers.

New England Rare Coin Galleries' annual end-of-the-year sale is a sale you can trust.

We've chosen a varied selection of coins from our inventory, and we're offering them at 5-10% off our regular retail price. When you order, deduct 10% from the total price of your order if that total is \$200 or more. If your order is less than \$200, deduct 5% from the total price.

With our reliable New England Rare Coin Galleries grading and these fabulous prices, the coins are sure to go fast — so be sure to get your order in soon. Remember, deduct 10% from the total price of your order if that total is \$200 or more, and 5% if the total is under \$200.

# U.S. MINT COIN DIES

## A Unique Opportunity

New England Rare Coin Galleries is proud to offer to our customers this once-in-a-lifetime numismatic opportunity. For the first time ever, you have the chance to own an invaluable treasure — the actual dies used in the minting of United States coinage, mounted in a specially designed unit. New England Rare Coin Galleries is the *only* firm from whom you can purchase these dies, as we bought all that the U.S. Government released to public ownership. Once our supply is exhausted, there will be no more dies on the market (the government now has stringent controls to preclude the release of any more dies from the mint). They are, however, completely legal to own as they were defaced at the mint.

These dies were used in the striking of the 1968 Proof sets, the first set ever *not* issued from the Philadelphia Mint, and the first to bear the mintmark of the newly reactivated San Francisco branch.

We are offering these dies set in a specially designed unit which holds the removable coin die, a descriptive plaque (detailing the history of the die), and a 1968 Proof coin of the denomination produced by that particular die. All these elements are set into a stand of American Maple wood with a walnut finish. Each of these units is totally unique, as each plaque bears the engraved serial number of the coin die in the unit.

New England Rare Coin Galleries is offering this remarkable collector's item at a price that is incredibly low when one considers that there is only a small, finite supply available. Never again will you have this opportunity.

The dies are available either mounted as a complete unit (including descriptive plaque and Proof coin) for \$39.95, or by themselves for \$29.95. Denomination is our choice, but we will try to accommodate your preferences. Offer limited to no more than three (3) dies per customer. Please include \$1.95 for handling and shipping; allow 4-6 weeks for delivery.

## ALTERNATE CHOICES

Since many of our listed items are understandably one of a kind, we ask that you list alternate selections so that we may have a better chance of completing your order. Of course, we will not send out any alternate selections unless your first choices have already been sold. If you are ordering for a type set, please list "type coin" as your alternate choice so if your first choice is not available, we can fill your order with another coin of the same type in equal or higher grade.

## TERMS OF SALE

Please enclose full remittance with your order unless you have previously established credit with us. Massachusetts residents only please add 5% sales tax or else furnish us with your tax-exempt resale number. An immediate refund will be sent on all items which have already been sold.

**RETURN PRIVILEGE.** We offer a full 30 day return privilege on all coins. This means that any coin may be returned within 30 days from receipt for an immediate refund for any reason or for no reason at all! All items are subject to prior sale and all prices are subject to change without notice. This listing cancels all previous prices for any item listed here. A copy of our famous grading and authenticity guarantee is free upon request. We feel it is the most comprehensive guarantee available in the industry.

**APPROVAL SERVICE.** Coins can be sent to you on approval if you have previously established credit with us. Please send us banking references and at least two numismatic references if possible.

**MASTER CHARGE and BAC/VISA** are welcome, however, we request that you send written order, which must contain your signature as it appears on your card along with all the raised information. You may call to reserve items to be paid for by credit cards, but the coins will be held pending receipt of your written order.

## GRADING GUARANTEE

We guarantee that coins purchased from us are graded correctly and will meet our high standards when you wish to sell them. Further, we guarantee to purchase these coins at the same grade as they were sold, and, if you request auction for disposal of your collection, that New England Rare Coin Auctions will catalog your coins at the same grade which you purchased them.

We further guarantee the authenticity of all coins listed. As proof of our certainty that no counterfeit or altered coin can escape our attention, we will guarantee to refund full purchase price plus 10% interest per year on any non-authentic coin sold by New England Rare Coin Galleries.

## OFFICE HOURS

We are open Monday through Friday 10 a.m. to 6 p.m.

You may examine coins in person at our office which is conveniently located in downtown Boston, at 89 Devonshire Street. Since all coins are kept in bank vaults, please call at least 30 minutes in advance so that we may have the coins available for your viewing.
